- Leslie Hamilton
- Karen Mueller
- Judy Schlesinger

Since 1970, the women of the Texas Biomedical Forum have been working together to educate the South Texas community about the groundbreaking work that is ongoing at the Texas Biomedical Research Institute. Here's how you can join us!

Membership

Membership allows us the ability to increase our visibility in the community and provide financial support to Texas Biomed. In addition, members receive invitations to Fall and Spring Lecture Luncheons, special events, priority notification of table sales for the Forum Gala, a printed membership directory and our Forum in Focus newsletter. Our membership year runs from June 1-May 31 and is open to all women, 21 years and older. You may join at any time during the membership year, but November 1 is the print deadline for inclusion in the printed directory. Membership is 100% tax deductible.

Save the Date for our Margaritas, Mariachis and Members Social: November 21, 2019

- ___ Benefactor \$300
- ___ Contributor \$150
- ___ Supporter \$75

Forum Gala Table Sponsorships- 50th Anniversary

Join us for one of San Antonio's most anticipated events! Historically held the first Saturday in May at The Argyle, the themed gala attracts over 500 attendees and includes a cocktail hour, a multi-course dinner, entertainment, and the legendary "After Party."

Save the Date for our Gala Celebration: May 2, 2020

Please let us know if you are interested in the following and we will notify you.

- ___ Private Party Room
- ___ Premier Table
- ___ Table

Forum Gala Tables will be released at a later date.
