Since 1970, the women of the Texas Biomedical Forum have been working together to educate the South Texas community about the groundbreaking work that is ongoing at the Texas Biomedical Research Institute. Here's how you can join us!

Membership

Membership allows us the ability to increase our visibility in the community and provide financial support to Texas Biomed. In addition, members receive invitations to Fall and Spring Lecture Luncheons, special events, priority notification of table sales for the Forum Gala, a printed membership directory and our Forum in Focus newsletter. Our membership year runs from June 1-May 31 and is open to all women, 21 years and older. You may join at any time during the membership year, but November 1 is the print deadline for inclusion in the printed directory. Membership is 100% tax deductible.

Forum Grants

One hundred percent of all fully tax-deductible Forum Grant donations directly fund scientists' pilot studies at the Texas Biomedical Research Institute. Recent Forum Grant donations have led to a breakthrough identifying a promising anti-viral to treat Ebola infection; funded studies to cure HIV infection; funded the search for predictive biomarkers for Osteoarthritis - the number one cause of disability; and so much more.

Special Events

Forum **Lecture Luncheons** are held twice a year at The Argyle; members and guests are invited. Topics range from groundbreaking research occurring at Texas Biomed to pertinent health issues, especially in women. The Spring event also showcases the Science Education Awards, honoring area high school teachers looking to do innovative scientific research.

Cheers to CHAIRity! A limited number of The Argyle dining chairs are available for purchase. These arm chairs graced the Argyle dining rooms and are a solid wood relic of days past. Proceeds to benefit The Forum and Texas Biomedical Research Institute.
